Dear Mr. Graham,

Please be advised that the 80-hour pre-registration training course, as submitted by your company, was approved by the Arkansas Home Inspector Registration Board at its meeting on January 15, 2020. The approval is valid until January 15, 2022 if the course is presented as submitted and by the instructors you have specified. If the course content, schedule, class materials, or instructors change, this approval is invalidated until such changes are approved by the Board as required in Section 706 of the Board Rules and Procedures.

The course approval number is **PR-2020-02**.

Certificates of completion given to each home inspector must have the course title, hours attended, and the approval number in order for your attendee to receive credit by this Board.

Application for renewal of this pre-registration training course must be submitted by November 1, 2021.

Sincerely,

Charlotte London
Board Administrator
